PROFESSIONAL EXPERIENCE

Freelance Product Designer & AI Solutions Developer

Self-employed | Mar 2026 – Present

- Designed and developed AI-assisted web applications, landing pages, and internal business tools for clients using modern full-stack development workflows.
- Delivered UI/UX design, branding, and digital product prototypes from concept to production-ready MVPs.
- Built responsive websites, portfolio systems, and CMS solutions while integrating APIs and AI-powered automation.
- Provided visual branding, digital marketing assets, and content strategy for hospitality, lifestyle, and technology businesses.
- Leveraged AI tools to accelerate design, development, documentation, and content production while maintaining high quality and consistency.

Social Media Manager & Content Creator

Apta Living | Full-time | Aug 2025 - Mar 2026

- Developed and managed monthly to annual social media and advertising calendars aligned with business goals and campaign objectives.
- Analyzed social media metrics and campaign performance to drive data-informed decisions, improving engagement and overall ROI.
- Produced high-quality content and coordinated talent for campaigns, ensuring strong brand consistency and audience relevance.
- Applied AI-assisted tools and automation to streamline content planning and reporting workflows, increasing team output efficiency.

Senior Visual Designer

Phintraco Technology | Full-time | Jul 2022 - Aug 2025

- Developed and maintained a company-wide design system to ensure product consistency across teams.
- Designed UI/UX for web and mobile platforms across multiple digital products.
- Led user research initiatives and iterative design improvements in partnership with product and development teams.
- Built and prototyped functional, AI-assisted web application MVPs to validate product concepts end-to-end, bridging design and development.
- Mentored junior designers and improved internal design workflow efficiency.
- Contributed to improved user engagement through usability enhancements.

Digital Marketing Designer

Rifeng Indonesia | Full-time | Jul 2021 - Jun 2022

- Executed integrated digital campaigns across social and paid channels.
